## **The College of Pharmacy in AAU obtained 3 Awards in DUPHAT 2017**

Within its participation in the Dubai International Pharmaceuticals & Technologies Conference & Exhibition "DUPHAT 2017", the College of Pharmacy's students of Al Ain University of Science and Technology obtained three awards, their participations were judged by a panel of prominent international judges in the field of pharmacy, who qualified them to get, Second place as the "Best Pharmacy Student Thematic Poster Award, Fifth place as the "Best Pharmacy Oral Presentation Award", and 10<sup>th</sup> place as the "Best Pharmacy Student Quality Poster Award".

The AAU's students participation included 21 poster and 4 oral presentations, displayed their projects and researches which aims to exchange experiences with different institutions.

For his part, Dr. Noor El Deen Atatreh –AAU Chancellor- expressed his pride and delight of the winners, saying: “During my visit to the student’s projects in DUPHAT, I noticed their distinctiveness and their winning is the culmination of their efforts and hard working. He added that AAU is keen on, to support and encourage all students, in addition to its eagerness to participate in all exhibitions to push the students to disclose their qualifications in order to access to the latest developments and experiences surrounding them.

It is worth to mention that, Al Ain University of Science and Technology is keen on participating annually in DUPHAT to enhance student’s skills, qualify them to engage with the pharmaceutical market and give them the opportunity to keep updated with the new technology in the pharmaceutical manufacturing and pharmacy supplies.
