## **A Delegation from College of Business attend the 9th Education Conference**

A delegation from the College of Business at Al Ain University of Science and Technology, Abu Dhabi Campus, attended the 9th Annual Education Conference "Advanced Education in a Changing World: The Education Strategy of the UAE", at The Emirates Center for Strategic Studies and Research (ECSSR) in Abu Dhabi. It was attended by a group of academic members from College of Business and students.

The delegation attended different sessions in the conference which discussed various topics such as: global trends in developing education that adapts to the future, the UAE's education strategy and the requirements of the fourth Industrial Revolution (4IR); school counseling as a foundation of modern education; and international models for education development.

The aim of attending this conference is to promote community engagement, keep updated on the latest development in the education sector and, integrate students with the outside

community to enhance knowledge and communicate with others.

The education conference conducted in the line with the directives of the wise leadership and was embodied in the federal and local institutions adopting a number of strategies, plans, and initiatives that aim to enhance the quality of education, embrace innovation and technology standards, and move toward a knowledge and technology- based economy, highlighted by UAE vision 2021.
