AAU participates in the “10th Gulf Education Conference” at Jeddah

Al Ain University of Science and Technology represented by the Student Recruitment Unit participated in the 10th Gulf Education Conference, which was held at the University of Business and Technology (UBT) in Jeddah, Saudi Arabia for two days, under the theme of Mega trends in higher education towards a green economy with the participation of more than 60 universities from different countries.

HE Dr. Saad bin Saud Al Fhaid, Deputy Minister for Private Higher Education, visited the Al Ain University's booth and had an idea about its Colleges and Specializations comprising of undergraduate and graduate programs, which they are all accredited by the Ministry of Education at UAE, and also obtaining International Accreditation.

The AAU's stand witnessed a remarkable number of students and visitors, where they had a look on the scholarships, the activities and facilities provided by the university to its students.

Mr. Rami Kayed, Manager of Student's Recruitment Unit, said that Al Ain University of Science and Technology is keen to participate in different exhibitions to enhance direct communication with students and reflects a bright image of the university on all levels

The participation of AAU in this exhibition seeks to attract students and motivate them to join the university, as well as, its commitment to keep abreast of developments in education and interacting with various academic institutions.
