Al Ain University hosts the 23rd International Arab Conference on Information Technology

Under the patronage of His Excellency Omar bin Sultan Al Olama, Minister of State for Artificial Intelligence, Digital Economy and Teleworking Applications. Al Ain University will host the 23rd International Arab Conference on Information Technology 2022, during the period from 22 to 24 November 2022 at Abu Dhabi campus. In partnership with the Computer Society of the Association of Arab Universities and the IEEE -UAE Section.

The International Arab Conference on Information Technology (ACIT'2022) is a forum for scientists, engineers, and practitioners to present their latest research, results, ideas, developments, and applications in all areas of information technology. ACIT'2022 will include presentations to contributed papers and state-of-the-art lectures by invited keynote speakers. Tutorials on current issues and special sessions on new trends related to information technology and software industry could be organized. This conference is considered as the official scientific conference for the Colleges of Computer and Information Society, stemming

from the Association of Arab Universities.
