## **An Entertainment Trip to Motiongate**

The Deanship of Student Affairs at Al Ain University (Abu Dhabi campus) organized an entertainment trip to Motiongate - Dubai Parks, which was attended by a large group of students.

Upon arrival, the students were welcomed by a team of guides who provided an introductory overview of the park and the various entertainment activities available. These included thrilling roller coaster rides, live entertainment shows, and interactive tours, all of which added an atmosphere of adventure and excitement.

The students expressed immense happiness with the trip, noting that it was a wonderful opportunity to relax and strengthen social bonds. They also conveyed their gratitude and appreciation to the Deanship of Student Affairs for organizing this special event.

This trip is part of a series of events organized by the Deanship of Student Affairs, aimed at providing an integrated educational and recreational environment that supports the personal and social development of students. It also offers them the opportunity to explore famous tourist attractions in the United Arab Emirates.
